ROCK VALLEY
 PHYSICAL THERAPY
Making Better Lives.

The mission of Rock Valley Physical Therapy is to meet the needs of our community by providing skilled, highly-effective physical rehabilitation services and by fostering a timely, optimal outcome for our patients.

Compliance with your scheduled appointment time is mandatory. You are scheduled for a block time, and to be late or to miss with little notice does not allow us to fill your space. **We reserve the right to charge for a missed appointment if not cancelled at least 24 hours prior to your scheduled time.**

Another responsibility of the patient is for his/her charges for care. When delivering physical therapy or occupational therapy treatment, we are entering into an agreement with you, not with a third-party insurance company or an attorney, if in litigation. We will bill your insurance for you, but if our charges are not covered or paid in full by them, the balance becomes due and payable by you, the patient/responsible party, within 30 days of the insurance payment and/or denial, unless other arrangements have been made with the Billing Office. If the bill has not been paid within the 30 days, we reserve the right to discontinue treatment.

Medicare may not approve certain supplies. If your therapist recommends and/or gives you a supply item to take home, you must check with our front office staff regarding coverage BEFORE ACCEPTING THE ITEM.

Rock Valley Physical Therapy does not discriminate against any person on the basis of race, color, national origin, disability, or age in admission, treatment, or participation in its programs, services and activities, or in employment. For further information about this policy, contact the Administrative Assistant – (309) 743-2070, TDD/Relay Iowa.

Rock Valley Physical Therapy is not responsible for determining insurance coverage for services. Please contact your insurance company directly if you have any questions regarding coverage.

This is to verify that I have read and agree with the above.
